

Delphi

Missing settings

Shadow on caption

Shadow on series

Ticks color

Wall settings

```
Chart1.walls.back.visible=false;
```

```
Chart1.panel.transparent=true;
```

```
Chart1.title.format.font.shadow.visible=false;
```

```
BarSeries2.format.shadow.visible=false;
```

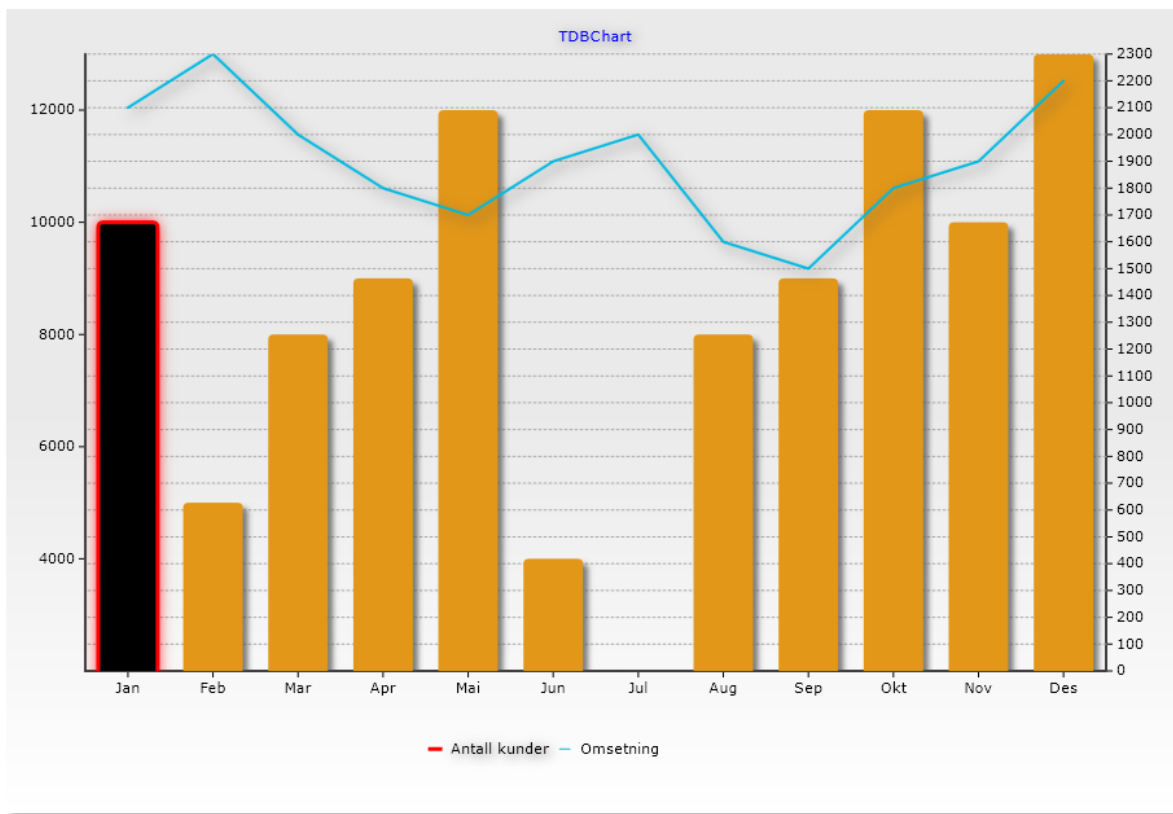

Bug

If you focus the first bar it is black

The line series include 0 values, it should not

The bottom axis/bottom of bar is not painted nice

Sample2

I want square corners on the bars, not rounded

If you focus the first bar it is black
